Video Switchers

BZBGEAR

8K Matrix Switchers

An 8K matrix enables users to freely route their HDMI 2.1 inputs to any of their HDMI 2.1 compatible outputs, in any configuration. These devices allow users to freely share content from multiple video sources without having to plug and unplug their devices each time.

BZBGEAR offers a premium lineup of award-winning 8K/4K120 HDMI 2.1 video switchers designed to meet the demands of both professional AV environments and everyday technology users. As an active member of the 8K Association and a recognized leader in 8K AV distribution, BZBGEAR is committed to making 8K content more accessible and manageable for all users.

Our user-friendly Switch Control App, compatible with Windows, Mac, iOS, and Android devices, provides effortless centralized video management from virtually any platform. Whether you're building a customized residential entertainment system or deploying a large-scale video distribution network, BZBGEAR delivers the complete, reliable solution you need.

BG-8K-22MA

2X2 8K UHD HDMI 2.1 MATRIX SWITCHER WITH
AUTO DOWNSCALING/AUDIO DE-EMBEDDING
(8K60/4K120 AND VRR/FVA/ALLM SUPPORT)

The 2x2 8K 60Hz HDMI matrix switcher is a high-performance device that allows you to switch between two HDMI input sources and send the output to two separate displays. It supports 8K resolution at 60Hz refresh rate for crystal clear picture quality. Additionally, it features audio de-embedding, allowing you to extract the audio from the HDMI signal and route it to an external audio system.

SECURE CONTENT

HDMI 2.1 and HDCP 2.3 compliant

8K AND 4K@120HZ

Video resolutions up to 8K@60Hz 4:2:0 10-bit, 8K@30Hz 4:4:4 10-bit, 4K@120Hz 4:4:4 10-bit

AUDIO FORMATS

LPCM, Dolby Digital/Plus/EX, Dolby True HD, DTS, DTS-EX, DTS-96/24, DTS High Res, DTS-HD Master Audio, DSD

BG-8K-42MA

4X2 8K UHD HDMI 2.1 MATRIX SWITCHER WITH
AUTO DOWNSCALING/AUDIO DE-EMBEDDING
(8K60/4K120 AND VRR/FVA/ALLM SUPPORT)

The BG-8K-42MA 8K HDMI matrix switch is the perfect solution for users who need to share up to four HDMI sources with up to two displays. With its user-friendly interface and advanced features, this matrix switch allows you to effortlessly switch between multiple sources, or display a single source on two displays with just the press of a button.

SUPPORTS 8K AND 4K120

Video resolution up to 8K@60Hz 4:2:0 10-bit, 8K@30Hz 4:4:4 10-bit, 4K@120Hz 4:4:4 10-bit

AUTOMATIC DOWNSCALING

8K->4K, 8K/4K->2K downscaling

HIGH QUALITY AND SECURE CONTENT

HDMI 2.1 and HDCP 2.3 compliant

BG-8K-44MA

4X4 8K UHD HDMI 2.1 MATRIX SWITCHER WITH
AUTO DOWNSCALING/AUDIO DE-EMBEDDING
(8K60/4K120 AND VRR/FVA/ALLM SUPPORT)

With four HDMI 2.1a inputs and four HDMI 2.1a outputs, the BG-8K-44MA 8K HDMI matrix switch allows users to share up to four HDMI sources with up to four displays. Perfect for when you need to change multiple sources to show on various displays or even select just one source to show on all displays with the press of a button. Professional-grade picture and audio quality are achieved with support for 8K resolutions and various high-quality audio formats.

4X4 ROUTING
Features 4 x HDMI inputs which can be independently routed to 4 x HDMI outputs

HDCP COMPLIANT
HDMI 2.1a (48Gbps) HDCP 2.3 (and all earlier versions supported)

8K AND 4K@120HZ
Up to 8K@60Hz 4:2:0, 8K@30Hz 4:4:4 and 4K@120Hz 4:4:4 8K to 4K or 8K/4K to1080p

BZBGEAR

4K Matrix Switchers

4K Matrix Switchers deliver high-performance HDMI signal routing, allowing multiple 4K sources to be switched to multiple displays independently and simultaneously. Designed for both professional AV environments and high-end home installations, these switchers are ideal for conference rooms, control centers, retail spaces, and modern smart homes looking for centralized video distribution.

With support for resolutions up to 4K@60Hz, these systems ensure crystal-clear image quality and smooth transitions with zero latency. Many models include advanced features such as built-in scaling, audio de-embedding, EDID management, and flexible control options via IR, RS-232, or IP — making them suitable for both integrators and tech-savvy home users.

Whether you're managing complex commercial AV routing or building a premium home theater experience, 4K matrix switchers provide a reliable and scalable solution that combines professional-grade performance with user-friendly flexibility.

BG-UHD-42M

4X2 4K UHD HDMI MATRIX SWITCHER WITH AUDIO/DOWNSCALING SUPPORT

The BG-UHD-42M is a powerful 4K UHD HDMI Matrix Switcher with audio and downscaling support. It features four HDMI inputs and two HDMI outputs, allowing users to effortlessly route high-quality 4K content between displays. With support for 4K@60Hz 4:4:4 resolution, HDCP compliance, advanced EDID management, and flexible control options, this switcher simplifies multimedia integration in various settings, including conference rooms, sports bars, restaurants, and auditoriums.

 **HDCP 2.2 & HDCP 1.4**
High-Bandwidth Digital Content Protection Supported

 **STUNNING IMAGE QUALITY**
Supports resolutions up to 4K@60Hz 4:4:4

 **4X2 MATRIX**
Route any of the 4 inputs to either of the 2 outputs

BG-MVS4X4-CV

4X4 4K UHD HDMI SEAMLESS MATRIX SWITCHER AND VIDEO WALL PROCESSOR WITH SCALER/IR/AUDIO/RS-232

The BG-MVS4X4-CV is a versatile 4x4 seamless HDMI matrix switcher that doubles as a powerful video wall processor, offering flexible video routing and advanced display configurations. In matrix switcher mode, any of the four HDMI inputs can be routed to any of the four HDMI outputs with zero switching delay or image loss. In video wall mode, the unit can split a single HDMI source across 2 to 4 screens, supporting configurations such as 2x2, 4x1, or 1x4 to create an engaging large-format display.

 **VERSATILE CONTROL OPTIONS**
Manage via front panel buttons, IR remote, or RS-232 commands

 **VIDEO WALL MODE**
Supports configurations such as 2x2, 4x1, 1x4, and more

 **AUDIO FORMAT SUPPORT**
Compatible with LPCM, Dolby Digital (DD), Dolby Digital Plus (DD+), and DTS

BG-MVS4X4-4KL

4X4 4K UHD HDMI VIDEO WALL PROCESSOR/ SEAMLESS MATRIX SWITCHER

The BG-MVS4X4-4KL 4K60 4:4:4 HDMI matrix is a versatile high-speed matrix switcher and video wall processor with multiple applications. This system can be configured for two different output modes, serving as a 4x4 seamless matrix switcher or as a 2x2, 4x1, or 1x4 video wall solution, among other possibilities.

Additionally, it is equipped with a web browser interface module for convenient control and configuration when used either as a standalone device or in conjunction with a third-party control system.

 **COMPLIANT**
HDMI 2.0b, HDCP 2.2 and HDCP 1.4

 **2 OPERATIONAL MODES**
4x4 Matrix (seamless switch), Video wall (2x2, 4x1 or 1x4 etc configuration)

BZBGEAR

KVM Switches

A BZBGEAR KVM switch (Keyboard, Video, Mouse switch) is a hardware device that enables users to control multiple computers using a single set of peripherals, such as a keyboard, mouse, and monitor. This tool is particularly useful in environments where space and efficiency are important, as it allows a user to multitask on several computers from one workstation.

These switchers also support high resolutions, including Full HD and up to 4K UHD, ensuring clear and fast video output. Additionally, the ability to perform USB hot-plugging makes it easy to add or remove devices without turning off the system. Many BZBGEAR KVM switches are also HDMI 2.0a and HDCP 2.2 compliant, making them compatible with high-definition video sources.

Overall, KVM switches provide a practical solution for managing multiple computers in professional and home office settings, improving productivity and maximizing workspace efficiency.

BZBGEAR Seamless Matrix, Video Wall and Multiview

Seamless Matrix, Video Wall, and Multiview solutions combine all three powerful functions into a single, integrated device offering unmatched flexibility for professional AV environments. These systems are designed to simplify complex signal routing, multi-display setups, and source monitoring, making them ideal for control rooms, live event production, corporate AV, and digital signage.

Each unit seamlessly switches between multiple HDMI sources, processes video walls with customizable layouts, and supports multiview configurations allowing multiple video feeds to appear on a single screen.

Supporting resolutions up to 4K@60Hz, these all-in-one processors feature built-in scalers, audio embedding/de-embedding, IR control, IP and RS-232 connectivity, and more. This integration reduces hardware complexity and boosts system reliability, saving space and simplifying installation.

BZBGEAR Long Range Seamless Matrix, Video Wall and Multiview

Long Range Seamless Matrix, Video Wall, and Multiview systems are advanced all-in-one AV solutions that combine seamless switching, video wall processing, and multiview functionality - now with extended transmission capabilities over CAT5e/6/7 cables.

Designed for large-scale environments, these devices are ideal for enterprise AV systems, command centers, educational campuses, and any application requiring long-distance signal distribution with uncompromised quality. These powerful processors enable instant, uninterrupted switching between multiple HDMI sources, while also supporting video wall configurations with flexible screen layouts and real-time multiview monitoring — all from a single chassis.

Whether you're deploying a wide-reaching video wall or need centralized control across multiple distant displays, these long-range systems provide a unified, high-performance solution.

BZBGEAR Modular Video Wall Processors & Switchers

BZBGEAR Modular Video Walls and Switchers deliver exceptional flexibility for modern pro-AV environments. Built on a modular card architecture, these systems support pluggable HDMI, SDI, HDBaseT, fiber, and other I/O modules—allowing you to tailor each installation to your exact requirements. Their scalable design can range from 8×8 to 36×36 and beyond, making them ideal for everything from corporate boardrooms to higher-education campuses, broadcast studios, and large-scale command centers. By mixing and matching the precise I/O you need, you gain the freedom to design systems that evolve alongside the demands of your workflow.

Control is equally versatile, with management available through front-panel controls, IR, RS-232, software, or an intuitive Web GUI. This makes configuration, monitoring, and real-time adjustments straightforward for both technicians and end users. From streamlined system setup to ongoing daily operation, BZBGEAR Modular Video Walls and Switchers reduce complexity while empowering fully customized AV experiences. Start building your ideal system today with BZBGEAR.

BG-MC-SERIES

8X8/16X16/36X36/80X80 MODULAR AND FULLY CONFIGURABLE SEAMLESS 4K60 MATRIX SWITCHER WITH VIDEO WALL AND INCLUDED CONTROL SYSTEM

The BG-MC-SERIES Modular Seamless Switching Matrix is a professional-grade AV solution engineered for demanding signal management environments. Supporting up to 8-80 inputs and outputs, it delivers powerful, real-time switching, distribution, and control with zero latency or signal degradation. Designed for mission-critical installations, this all-in-one system integrates a high-performance video wall processor, seamless switching technology, and intelligent control capabilities. Whether deployed in control rooms, broadcasting studios, corporate AV systems, or large-scale video walls, the BG-MC-SERIES ensures pristine 4K60 (4:4:4) image quality and uncompromised reliability across every connected display.

With its modular, pluggable architecture, the BG-MC-SERIES provides unmatched scalability and flexibility. Input and output modules for HDMI, DVI-U, VGA, SDI, HDBaseT, and fiber interfaces-each offering four channels per card.

SEAMLESS 4K SWITCHING

Zero-latency transitions between sources with no tearing or black screens

ULTRA-LOW LATENCY GEN-LOCK

Synchronizes outputs for precise video wall splicing

MODULAR CARD ARCHITECTURE

Pluggable input/output modules for HDMI, SDI, HDBaseT, fiber, and more

INTEGRATED VIDEO WALL PROCESSOR

Supports advanced multi-screen layouts with perfect synchronization

ABOUT BZBGear

Founded in 2019 and headquartered in Sacramento, California, BZBGear® has quickly emerged as a global leader and one-stop manufacturer of professional AV and broadcasting solutions. Dedicated to delivering excellence, BZBGear focuses on combining innovative design, exceptional user experience, and unparalleled lifetime product support.

OUR PRODUCTS

Each solution is meticulously crafted by a team of expert hardware and software engineers to ensure superior quality and cutting-edge functionality. Recognized for its award-winning products and industry-leading support, BZBGear has become the go-to choice for AV and broadcast applications, trusted by professionals worldwide.

WHAT BZBGear HAS TO OFFER

BZBGear delivers comprehensive professional AV and broadcasting solutions, including live streaming and video production products. Our mission extends beyond providing exceptional gear—we pride ourselves on unparalleled customer service and reliable seven-days-a-week technical support. Our team is celebrated for delivering outstanding assistance and ensuring customer satisfaction at every step.

At BZBGear, we prioritize our customers' needs and concerns, offering the highest level of professional support. By fostering relationships built on integrity and trust, we approach every interaction with honesty and fairness, always striving to place ourselves in our clients' shoes.

Our vision is to make cutting-edge AV technology accessible to everyone at a fair price. Because everyone deserves to see, hear, and experience the remarkable advancements of today's AV world

BZBGear FUNDAMENTALS

At BZBGear, we pride ourselves on being a dynamic company dedicated to creating innovative and reliable solutions that address the challenges of today's AV and broadcasting industries.

With BZBGear Fundamentals, you receive the highest level of customer support, comprehensive training, and unparalleled warranty protection in the industry.

COMPLIMENTARY DESIGN SERVICES AND SALES ENGINEERING SUPPORT

Receive professional technical sales support and advice encompassing specifications, product features, and system design solutions. Our team is dedicated to assisting you in making informed decisions tailored to your needs.

Benefit from our always free design services and sales engineering support, ensuring seamless integration and optimal performance of your systems.

EXPEDITED REPLACEMENT SERVICE

Benefit from complimentary next-day shipping for replacement units, accompanied by a convenient return label. Our next-day replacement guarantee remains valid for one year from the original date of purchase. For products exceeding one year, BZBGear provides free ground shipping for replacement items. Please note that our expedited replacement services are exclusively available for partners within the US.

FREE SHIPPING WITH SAME-DAY DISPATCH*

We are committed to efficiently and expediently delivering the products you need. All retail customers benefit from free standard ground shipping. Qualified partners enjoy complimentary ground and/or expedited shipping. Orders for in-stock items placed before 12:00 PM are eligible for same-day shipping. Please note that free shipping and same-day shipping are available exclusively to US customers.

*Applies to domestic shipping only.

COMPREHENSIVE TRAINING & SUPPORT

At BZBGear, we recognize the critical importance of knowledge and training for our products. Understanding your needs, we offer comprehensive training sessions, customizable to cover sales, product features, and system design.

Moreover, we believe in providing unlimited after-sale support free of charge to all our customers, as we pride ourselves on ensuring your success.
